ANNUAL REPORT
OF THE
Bethlehem Town School District
OF
BETHLEHEM, N. H.
FOR THE
Fiscal Year Ending February 15, 1915, With Recommendations and All Facts Concerning
School Matters

TOWN SCHOOL BOARD OF BETHLEHEM

Charles E. Baker	Term expires 1917
C. H. Hazen	Term expires 1915
Waldo Whitcomb	Term expires 1915

ORGANIZATION

Charles E. Baker, Chairman	C. H. Hazen Clerk
Waldo Whitcomb, Committee on Repairs	

L. M. Knights, Moderator	Frederick W. Lewis, Clerk
Arthur E. Bowles, Treasurer	Walter C. Bartlett, Auditor

Superintendent's Report

School Board of Bethlehem Town District :

I beg leave to submit the following statement concerning your schools.

The buildings have been somewhat improved. Blackboards and seats taken from other schoolhouses have been put where they would do the most good. The Gilmanton Hill building has been well painted. Besides the necessary text books and supplies, a small number of books for silent reading, or library use, has been placed in each school.

The teachers are all doing good work and are all Normal school graduates or holders of state certificates. Unless Bethlehem for some reason falls outside the application of the school aid law, this means \$8.00 a week coming to the district in its settlement with the state next December.

Your district will doubtless be called on to consider the question of a new school house at or near Wing Road. It would probably be out of place for me to say anything here as to whether the building should be erected or not. I think I may say that I hope if the house is built it will be put on a lot of good size and satisfy our best knowledge as to heating, lighting, water supply, rooms and other matters. It will cost little, if anything, extra to have the building right in the first place.

The West Hill building is most in need of thorough renovation. It needs better light as well as a new floor and paint. It would pay to put a basement under the building. The school room could be heated with more ease and cleanliness and less expense. The school yard is too small.

In making appropriations for the next year I believe the voters should consider whether they should not extend the school year to 36 weeks, to agree with neighboring districts. I will ask for \$125.00 for text books, supplies and apparatus. I believe this will provide the necessities of school life and leave a little for improvements. If it is desired that the older children have more chance to use their hands in manual training, cooking, plant growing, etc., as is being done in

many of the most progressive districts, a little more will be useful.

During the fall term 78 children were registered in your four schools, the average membership being 71 and the average attendance 67, per cent of attendance 94.3. The total number of tardy marks was 10, Bethlehem Hollow having none of for the term nor for a year. I am credited with 28 visits and parents and others have made 102 visits, of which West Hill has 52. Nineteen children were neither absent nor tardy for the fall term, 10 of them at Bethlehem Hollow.

With thanks for the kindness and consideration so generally extended, I conclude this report.

Respectfully submitted,

D. F. CARPENTER

CHARLES E. BAKER,

C. H. HAZEN,

WALDO WHITCOMB,

School Board.

Library Report

A card catalog of the books in the Bethlehem Public Library was completed July 26, 1914. Although this was an expensive proposition, it has given us a working system equal to that of any library in the state.

Valuable reference books have been added during the year, among them 25 volumes of "The Historian's History of the World" by Henry Smith Williams, L. L. D.

Bound volumes of Scribners' and Century magazine covering 20 consecutive years, dating from 1870; also several bound volumes of Country Life and Picturesque America, Atlantic Monthly and Harper's.

One hundred and twenty-five books of fiction have been presented to the library during the year.

We are looking toward our reference library trying to build it up as this is the great need.

C. A. KIDDER, Librarian.
